- 3: 8:10 **Presentation** —  
According to Gary Bluestein, The Binah School cancelled their presentation for tonight's meeting due to change in Directors. He said that he would try to contact them to see if they are still interested in doing a presentation in January 2009. This is in regard to a start-up in 2010 of a Jewish school for girls with occupancy of the Horizon Administration building.
- 4: 8:15 **RFP** —  
Mike Bossin emphasized the importance of preparing an RFP for long-term usage of the Horizon and suggested that everyone should go on-line under the "Town of Sharon" and open the Wilbur school RFP to use as a guideline / boilerplate in preparation of Horizon's RFP. He also added that the criteria and checklist on the Wilbur RFP documents could be adaptable for Horizon's RFP.

Jay Bronstein and Gary Bluestein will work together to taking a stab in writing the Horizon's RFP introduction. Although Mike Bossin thought this to be a good idea, he challenged each Committee member to take a portion of writing the RFP.
