- 1: 5:45 **Meeting called to order.**
- 2: 5:46 Discussed the following items to be put in a form that we will send to the Everwood partners, this is the rough draft the committee worked from.

Items both short and long range plans with impact statements, course for approval and what agencies we may need to hear from...please add to what I may have missed as well as finish anything that you do not feel is complete. We need to create a list for Atty Gellerman to submit to Everwood for the hearing on November 16 in retrospect this hearing date may be to aggressive

- 1: septic requirements to include current limits in regards to population with plans for expansion and how that it can be achieved to include impact on waterways
- 2: Trees and Landscaping plan showing affected areas with attention to wetlands and setbacks
- 3:Capitol improvements both renovations and additions to include fields
- 4: Traffic flow plan for both the public ways and within the camp property, include parking expansion plan with screenings ...do we want a traffic study done?
- 5: Lake and wetland management plan, do we want a engineer report
- 6: Hazardous material statement to include all cleaning items, fertilizers, waste materials, storage etc
- 7: maintenance of property?
